Information Sheet

The PPT-PRO

Portable Free-Standing Puppet Theatre

The PPT-Pro is a professional quality, full-sized puppet theatre that can accommodate as many as 6 adult performers and can be assembled in under 10 minutes. The PPT-Pro weighs about 30lbs/18kg and fits in a wheeled carrier bag with room to spare for puppets and props. The PPT-Pro also features a backdrop scrim, tie-down loops on the legs for outdoor venues (includes tent pegs) and for lighting there are 3 mounting points on the frame adapted for Luxo lamps. The dressing can be customized to suit your taste or uses. Additions such as prop trays and rear drapes are also available. Clients include: Toronto Public Library, Cardinal Carter Academy for the Arts, The Paddling Puppeteer and Theatre Beyond Words. Add-ons such as prop trays, puppet hook bars, rear drapes and script holders are also available. Visit the website to see the PPT-Add Ons, PPT-Kids the child-sized version of the PPT-Pro and our one-person PPT-Booth.
